## **I. Comprehensive IT Goods And Services - Online Bill Access Introduction**

### **A. Overview Of Application:**

Starting with the January 2006 billing period (first bill produced in Feb 06), VITA Direct Billing Services (IAT) Bill will be replaced by the Comprehensive IT Goods and Services Bill.

Currently VITA is billing in-scope agencies for direct costs of IT Goods & Services and IT Payroll Services provided. Each agency's bill is based on payments made by VITA towards IT Goods & Services procured and costs incurred for IT Payroll Services for a particular Agency.

VITA will be entering into "Memorandum of Understanding (MOU)" with each agency. MOU rates will be based on Direct Bill personnel costs, travel, training and other overhead costs. MOU fees will be phased-in to replace the IT Payroll service charges when an agency signs an MOU. Agencies will continue to receive IT Payroll service charges until an MOU is signed.

VITA Comprehensive IT Goods & Services application uses the procurement data entered by the Agency in eVa, Virginia's statewide e-procurement application and the payroll data from CIPPS, Statewide Payroll and Leave System to prepare the data required for "VITA Comprehensive IT Goods & Services Bill". This data will be used to generate the VITA Comprehensive IT Goods & Services IAT, the IT Goods & Services Invoice Detail Report and the IT Payroll Invoice Detail Report.

VITA Customers and Agencies can access VITA Comprehensive IT Goods & Services IAT and Invoice Detail Reports online through the Comprehensive IT Goods & Services - Online Bill Access Application.

### **B. Description:**

Comprehensive IT Goods & Services - Online Bill Access Application is an internet application which can be accessed by VITA customer billing contacts and other designated personnel to view, and download VITA Comprehensive IT Goods & Services IAT and Invoice Detail Reports.

Starting with the January - 06 Billing period (first bill produced in Feb 06), VITA Comprehensive IT Goods & Services (IAT) Bill and Invoice Detail Reports will be available online for the customers to access. Comprehensive IT Goods and Services Bill will include charges for the following items:

- IT Goods & Services (including Invoice Detail Report)
- IT Payroll Services (including Invoice Detail Report) **or** Memorandum of Understanding (MOU) Fees

**Note:** MOU fees will be phased-in to replace the IT Payroll service charges when an agency signs an MOU. Agencies will continue to receive IT Payroll service charges until an MOU is signed.

In the future, the Comprehensive IT Goods and Services Bill will also include:

- Miscellaneous charges that are currently billed through the Miscellaneous Billing Application
- IT Investment Management (ITIM) Fees for Higher Education
- IT Security Management (ITSM) Fees

Implementation date for these new items is to be determined.

- VITA Comprehensive IT Goods & Services (IAT) Bill will be available in Adobe PDF (.pdf) format.
- IT Goods and Services Invoice Detail Report and IT Payroll Invoice Detail Report will be available in Adobe PDF (.pdf) format and in Comma Delimited (.csv) format.

## B. Log On Procedure, How To Get Access:

### Accessing the Comprehensive IT Goods & Services - Online Bill Access Application

A VITA Pegasus Account is required to access the Comprehensive IT Goods & Services - Online Bill Access Application. Once a VITA Pegasus Account has been established, and access to the Comprehensive IT Goods & Services - Online Bill Access Application has been granted, you are able to log into the Comprehensive IT Goods & Services - Online Bill Access Application with your VITA Pegasus Account user ID and password.

The steps below will guide you through the process for establishing your VITA Pegasus Account, receiving access to the Comprehensive IT Goods & Services - Online Bill Access Application, and logging into the Comprehensive IT Goods & Services - Online Bill Access Application. Screen shots have been included to assist in the clarification of the instructions.

The Comprehensive IT Goods & Services - Online Bill Access Application login page can be found at the following URL:

<http://www.vita.virginia.gov/services/busServe/onlineBilling.cfm>

### C. VITA Pegasus Account

Comprehensive IT Goods & Services - Online Bill Access Application Login Page provides options which allow the user to access the VITA Pegasus Account Application. The VITA Pegasus Account Application was developed to manage the growing number of VITA user accounts and application privileges.

The VITA Pegasus account provides a single user name and password for use across all VITA Web-based applications. However, individual application permissions must be obtained for each VITA Web Application being accessed. The VITA Pegasus Account Application provides the following user-friendly enhancements:

- Account owners are able to submit answers to predefined, secret security questions that can be used to reset passwords without contacting the VITA Customer Care Center (VCCC).
- Account owners receive a reminder when their account password is nearing its expiration.
- Account owners are able to maintain their own contact information.

**Note:** Current / updated Pegasus information is available on the VITA website (URL: <http://www.vita.virginia.gov/pegasus/pegasus.cfm> )

#### 1. Request Access

##### a) Request a VITA Pegasus Account

This option is to request a new VITA Pegasus Account only. If you already have a VITA Pegasus Account, do not use this option. If you do not have a VITA Pegasus Account, you may submit your request from here. Upon selecting this link you are directed to the VITA Pegasus New User Account page (see screen below).

- Step 1:

Click on the Request Access icon from the Comprehensive IT Goods & Services - Online Bill Access Application Page.

You are directed to the VITA Pegasus Account page for the Comprehensive IT Goods & Services - Online Bill Access Application. See screen shot below:

The screenshot shows the VITA Direct Billing Services-Online Bill Access User Manager interface. At the top, there is a header with the VITA logo (Virginia Information Technologies Agency) and the VITA Pegasus Account logo. Below the header, a blue bar contains the title "Direct Billing Services-Online Bill Access". The main content area has a white background with a blue border. It contains a welcome message, instructions on how to obtain a VITA Pegasus Account, and a "Select an Option" section. The "Select an Option" section has two radio buttons: "Existing Users" and "New Users". The "Existing Users" option is selected. Below the radio buttons are "Exit" and "Continue" buttons.

**Direct Billing Services-Online Bill Access**

Welcome to the Direct Billing Services-Online Bill Access User Manager. In keeping with VITA's mandate to protect the Commonwealth's IT infrastructure and assets, users must obtain a VITA Pegasus Account prior to accessing specified Commonwealth web-based applications.

Users will be issued one VITA Pegasus Account to be used across these specified Commonwealth web-based applications. However, permissions must be obtained for each application being accessed.

For example, if you have requested and received a VITA Pegasus Account for a specific application, you must request access to subsequent applications via the Existing Users option below. Your VITA Pegasus Account will remain the same, however your account will reflect the various application permissions granted.

**Select an Option**

☒ **Existing Users**  
If you have a **VITA Pegasus Account** select this option to request access to the Direct Billing Services-Online Bill Access site.

☐ **New Users**  
If you *do not* have a **VITA Pegasus Account** select this option to request one.

Exit Continue

- **Step 2:**

Select the "New Users" option and click on "Submit"

You are directed to the "New User Account Page". Here you will need to supply basic information such as your name, e-mail address, create a password, and answer two secret security questions. Please note, when creating a password, you must adhere to the following criteria:

- Passwords must be between 9 and 14 characters in length.
- Passwords must contain at least 3 of the following 4 types of characters.
  - lowercase alpha [e.g., abc]
  - uppercase alpha [e.g., ABC]
  - numerical [e.g., 123]
  - special [e.g., !@#]
- Passwords cannot contain your user name or any part of your full name.
- Passwords used previously will not be accepted.
- Passwords will expire in 90 days.

## New User Account

- Step 3:

Select the “Submit” button in order to submit your request for a VITA Pegasus Account.

You are contacted with your new VITA Pegasus user ID once your account has been activated. By submitting your request from this location, your VITA Pegasus Account will automatically provide access to the Comprehensive IT Goods & Services - Online Bill Access Application.

- b) Request Access for an existing VITA Pegasus Account

This option is for users who already have a VITA Pegasus Account, but do not yet have access to the Comprehensive IT Goods & Services - Online Bill Access Application. You will need to login to your existing VITA Pegasus Account and Confirm/Update your user account information. By accessing your VITA Pegasus Account from this location, your VITA Pegasus Account will automatically provide access to the Comprehensive IT Goods & Services - Online Bill Access Application.

- Step 1:

Select the ***Request Access for an existing VITA Pegasus Account*** link from the Comprehensive IT Goods & Services - Online Bill Access Application Page.

You are directed to the VITA Pegasus Account page for the Comprehensive IT Goods & Services - Online Bill Access Application. See screen shot below:

The screenshot shows the VITA Pegasus Account page. At the top, there is a header with the VITA logo (Virginia Information Technologies Agency) and a Pegasus logo. Below the header, the page title is "Direct Billing Services-Online Bill Access". The main content area contains a welcome message and instructions for users. It states that users will be issued one VITA Pegasus Account to be used across these specified Commonwealth web-based applications. However, permissions must be obtained for each application being accessed. It also mentions that if a user has requested and received a VITA Pegasus Account for a specific application, they must request access to subsequent applications via the Existing Users option below. The VITA Pegasus Account will remain the same, however the account will reflect the various application permissions granted.

Below the main content area, there is a section titled "Select an Option". It contains two radio button options:

- ☒ **Existing Users**  
If you have a VITA Pegasus Account select this option to request access to the Direct Billing Services-Online Bill Access site.
- ☐ **New Users**  
If you do not have a VITA Pegasus Account select this option to request one.

At the bottom of the section, there are two buttons: "Exit" and "Continue".

- Step 2:

Select the “Existing Users” option and click the “Continue” button. A window will pop-up requesting your Pegasus user name and password.

- Step 3:

Enter your Pegasus user name and password and click on “OK”. This will log you into the VITA Pegasus Account Management Application.

After completing the login, you are directed to the “Confirm/Update User Account Information” page.

If you receive a message that states, “There is missing or invalid information in your VITA Pegasus Account profile. Please update your user information before changing your password,” this is normal and expected. It simply means that you have not completed the process for requesting access to the Comprehensive IT Goods & Services - Online Bill Access Application.

## A. FAQ's

Q1: I am able to see only bills for Agency number 00XXX.

A: Access to Comprehensive IT Goods & Services - Online Bill Access application is restricted. User can only view bills of agencies for which they have been given access.

Q2: No bills present for a Billing Cycle?

A: Following message will be displayed “Your selection(s) did not have a match. Try increasing the bill cycle range or changing the customer account”. Invoices for any billing cycle are generated only if there are any billable transactions during that billing period.

Q: I don't get an e-mail regularly?

A: E-mails are sent to a Billing Contact (Bill Receiver and Bill Reviewer) only if an invoice is generated for a particular billing cycle. You will not receive an e-mail if there is no invoice for your agency in a particular billing cycle.

Q: Only Adobe PDF (.pdf) files are displayed.

A: User access to bills and reports is based on user role.

Bill Receivers have access to Comprehensive IT Goods & Services Bill IAT's in Adobe PDF (.pdf) file format and to Invoice Detail Reports in Adobe PDF (.pdf) file format and Comma delimited (.csv) file format.

Bill Reviewers have access to Comprehensive IT Goods & Services Bill IAT's and Invoice Detail Reports in Adobe PDF (.pdf) file format only. Invoice Detail Reports in Comma delimited (.csv) file format are not available for Bill Reviewers.

Q: I am unable to view Adobe PDF (.pdf) files on your computer?

A: Adobe Acrobat reader is required for view the Adobe PDF (.pdf) file. Links to download Adobe Acrobat reader are provided on Bill Browser Screen.

- Q: I am unable to view or open CSV files on your computer?
- A: Microsoft's Excel File Viewer is required to view comma delimited (.csv) files. Links to download Microsoft's Excel File Viewer are provided on Bill Browser Screen.
- Q: What are CSV files?
- A: A comma-separated values file, known as a CSV file, is a type of data format in which each piece of data is separated by a comma. This is a popular format for transferring data from one application to another, because most database systems are able to import and export comma-delimited data.
- For example, data pulled from a database and represented in comma-delimited format looks something like the following. Each column value is separated by a comma from the next column's value and each row starts a new line. (Source: [www.pcwebopedia.com](http://www.pcwebopedia.com))
- Q: I don't see Invoice Detail Reports for my Comprehensive IT Goods & Services Bill IAT for the May month bill cycle.
- A: Invoice Detail reports are generated for all the line items on the Comprehensive IT Goods & Services Bill IAT. Invoice Detail reports are generated only for the line items present on the Comprehensive IT Goods & Services IAT, giving detail supporting information for each line item on the Comprehensive IT Goods & Services Bill IAT. Invoice Detail reports are not generated for Adjustment entries (emergency credits and debits)
- Q: We have procured IT Goods and Services and the item is not shown on the IAT?
- A: Customers will be invoiced only after the payment is made by VITA to the vendors.
- Q: Descriptions on Invoice Detail Reports are wrong?
- A: Comprehensive IT Goods & Services application utilizes the eVa data entered by the customers, and the descriptions on Invoice Detail Reports are the same as entered by the customers. Please verify the same with your procurement department.
- Q: Do I have to have a Pegasus account to access the Comprehensive IT Goods & Services – Online Bill Access Application?

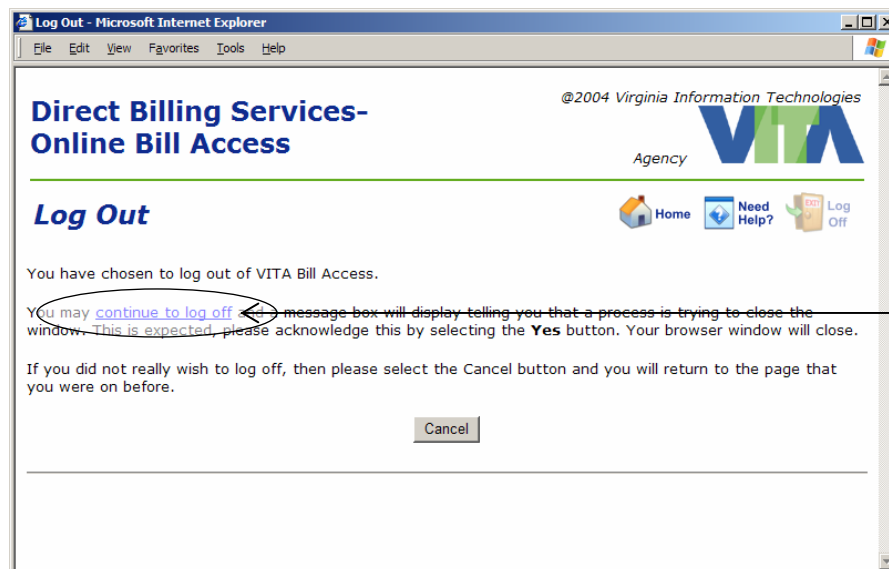

- A: Yes, a Pegasus account is required to access the Comprehensive IT Goods & Services – Online Bill Access Application. Details to get Pegasus user ID and password are provided on page 9 of this user guide. Current Direct Bill access Id and password can be used to access the Comprehensive IT Goods & Services Online Bill Access Application.
- Q: We want to add a new billing contact (Bill receiver / Bill Reviewer)?
- A: Adding or changing a billing contact can be done using the Comprehensive Billing Services Contact Maintenance Form. Use the submit button at the bottom of the form to e-mail the request to VITA Billing Department. (Email address: [Billing@vita.virginia.gov](mailto:Billing@vita.virginia.gov)).
- Q: Where can I find the Billing Contact Maintenance Form?
- A: Billing Contact Maintenance Form can be accessed online @ [http://www.vita.virginia.gov/misforms/forms/vitadbs\\_bcc.cfm](http://www.vita.virginia.gov/misforms/forms/vitadbs_bcc.cfm)
- Q: Whom should I contact regarding technical issues like:
- Can't get access to Comprehensive IT Goods & Services – Online Bill Access Application.
  - Password is not working.
  - Bill don't display, unable to open bills
- A: For all technical issues please contact the VITA Customer Care Center:

  - Outside the Richmond Metro Area: 1-866-637-8482
  - Alternatively, email us at [vccc@vita.virginia.gov](mailto:vccc@vita.virginia.gov). Note: All tickets received through email are automatically assigned a low priority.
- Q: Whom should I contact regarding Business / Billing Detail issues like:
- Wrong agency shows up
  - PO shows up; didn't order. Application uses eVA. First verify within eVA and with agency personnel that order did not originate from agency.
  - Questions on payroll information, IT Goods and Services information, etc.?

- A: For all Business / Billing Detail issues please contact the VITA Customer Care Center:
- Inside the Richmond Metro Area: 804-786-3932
  - Outside the Richmond Metro Area: 1-866-637-8482
  - Alternatively, email us at [vccc@vita.virginia.gov](mailto:vccc@vita.virginia.gov). Note: All tickets received through email are automatically assigned a low priority
- Q: Why are our purchases not reflected in the current month IAT's?
- A: Agencies will be billed only after the payment is made by VITA to the vendors.
- Vendor payments are made after verifying the purchase order, vendor invoice and the agency receiver. A three way match is required in VITA's financial system to release the vendor payment.
